

Re-create your own Task Chart!

Directions: Use the printed one as is or edit/create your own! Task Charts are purposeful and are for helping your child focus on specific tasks.

To use: Edit the PDF to input your child's name, then print out two copies on heavy paper or laminate each one. Cut out each task on one of the papers and use Velcro or other sticky tape to put back over the tasks and the 'Rainbow.'

# [Enter Child's Name] Home Task Chart

**BRUSH TEETH**

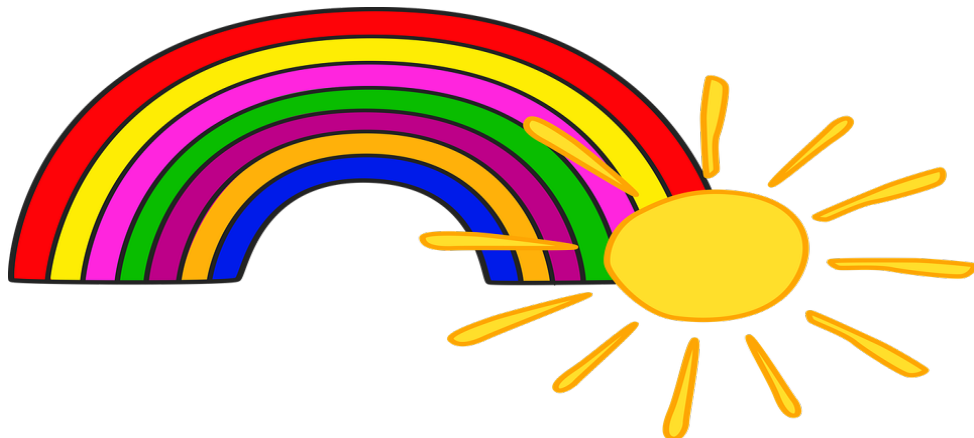

**FEED ANIMALS**

**PUT AWAY TOYS**

**LAY OUT CLOTHES**

**UNICORN'S RAINBOW**
